

Who's In Your Manger?

Believers are called to be different...not conformed to this world. One of our greatest opportunities to clearly demonstrate that difference is in how we celebrate.

Taking Back Christmas and Other Family Celebrations will equip families to welcome Christ into the joyful and memorial moments of life.

Christmas...To us a child is born, a Son is given.

Valentine's Day...Beloved, let us love one another.

St. Patrick's Day...Go into all the world.

Easter...He has risen, just as He said.

4th of July...He rules over the nations.

Halloween...God is light, in Him there is no darkness.

Thanksgiving...Give thanks to the Lord, He is good.

Birthdays...I am fearfully and wonderfully made.
